Library Books

We are fortunate that Rio Calaveras has a Library full of wonderful books for students to read to expand their knowledge. Please help me in reminding your child that it's very important to **take good care of the library books** entrusted to them, not thrown on the floor or somewhere that the books can become dirty or torn. We go to the library on Wednesdays to return and borrow new books. *Overdue or lost library books will incur fines and your child cannot borrow any more books until they are returned/paid.*

With your child's being responsible and your help, we will always have books from the library to enjoy. Thank you.

Homework

Students will have about 45 minutes of Homework daily:

15 mins. – Language & Reading Practice daily

10 mins. – iReady Math & Reading Pathway (40 mins a week)

20 mins. or more – AR Reading daily

Please set aside homework time for your child in the afternoon and help him/her to be responsible and accountable.
