Trimester 2 Begins

Trimester 2 begins this week. It is a time for students to renew their efforts. Please encourage your child to continue to do well or give more effort in these things to make learning a priority at school and at home.

- **Use the student planner** to be organized. Know what to do and when it's due. Write it down! Parents can check the planner for homework assignments.
- **Be responsible for your education.** Focus in class, turn in all assignments, and do them well. Parents can check your child online gradebook.
- **Follow directions.** Improve and be successful everyday.
- **i-Ready/Lexia/Reading Plus.** Practice math and Reading/Language skills. Parents make sure your child has time to do their home assignments.
- **Read at least 30 minutes** every day.
- **Have fun and enjoy the 5th grade year!**

With these renewed commitments and your support, your child will improve in this 2nd Trimester. Thank you!
