ONLINE GRADEBOOK

Our Class Gradebook is available on our class website. Students are required to check their grades in class at least once a week.

Having a gradebook will not only let parents keep track of progress but more importantly, it will help students to be responsible for their own education. Grades are usually updated each week on Sundays.

To get to the Gradebook, go to our class website: www.OurYear.us, click on the  icon under “Quick Links” and enter your child’s **First/Last Name** and **ID Number** to see the grades.

Let me know if you have questions or concerns.
