After 2 full week of school, we are getting to know each other and learning how we need to behave in class as students. We use the **PBIS Guidelines** to help us to be good citizens.

We also practice the **5 P's** of Learning: Be **PREPARED** for class, **PARTICIPATE** actively, have a **POSITIVE** attitude, treat others **POLITELY**, and follow class **PROCEDURES**. With these guidelines, I strongly believe that students will learn effectively in an environment which is conducive to the teaching and learning process.
Be Safe, Responsible, and Respectful.

A great big **THANK YOU** to Families who have donated supplies and necessities to our class:

- **Fusi's Parents**
- **Jonah's Parents**

Please go to the "Wish-List" page on our Class Website for the list of items we need. Thank you.

Jan & Feb: Watercolors
March: Perspectives
April: Charcoal
May: Digital Art

Beginning Music

A total of 15 students in our class have signed up to begin their strings and band music training with Ms. Andersen. The music schedule is as follows:

BAND: Tuesday 12:40-1:20, Thursday 11:15-11:55
STRINGS: Tuesday 11:15-11:55, Thursday 12:40-1:20

Although I wholeheartedly support the students' musical interests and will not schedule essential subject matter when they are out of class, the students would have to miss some learning activities, study periods, and/or physical education when they are in music.

Please encourage your child to be determined to succeed in music and not let them miss practice sessions at home. Thank you!
