i-Ready Winter Diagnostic Assessment

i-Ready Winter Assessment continues this week Monday-Thursday. The students will be tested in Math and Reading as well as make up testing.

Please continue to maintain the routine of going to bed early, eating a good breakfast, and encouraging your child to try his/her best on these assessments. It is important for your child to be in school during the i-Ready testing period. Please schedule appointments after the school day if possible.

THANK YOU.

Our Class "**Secret Santa**" activity began last week and continues until December 21 to promote the "**Season of Giving**," and to celebrate the winter festivities. It's also a lot of fun for the students.

For 2 weeks, each student is a Secret Santa to a randomly picked classmate. They are to give hints and messages along the way, with the purpose of bringing a bit of joy and happiness to that person.

Winter Carnival STORE REQUEST

Dear Parents,

Our Class Carnival will be on December 22. We will transform our class into a fun zone with 9 game booths along with a Carnival Store to "sell" goodies to the carnival goers. As the class is preparing for the carnival, our **Santa Store** needs chips, cookies, candies, cupcakes, sodas, juice, water, etc. so students can "purchase" with their tickets. Any donation you can contribute to the Carnival Store will be greatly appreciated. Please send the goodies any day until December 22.

Thank you so much for your support.

On **December 21**, each Secret Santa will **Reveal** who they are and give to their person a small, fun gift. Please have your child bring a gift (\$5-\$10) on Reveal Day.

This activity is a great way for students to learn about empathy and be kind to each other in the classroom and beyond.

Thank you for your support.
