Communication	Online Gradebook: www.ourclass.us , the  icon under "Quick Links" Username: Student's first and last name, Password: Student ID # E-mail: toanpham@stocktonusd.net - Messaging: ClassDojo

Our class will hold our second "Flea Market Friday" in the classroom on December 8. The purpose is to use our **Class Money** to buy and/or sell products and services. The Flea Market activity will give students the opportunity to create, advertise, sell, and buy fun things. As vendors, students will wisely judge "market conditions" to make profits, or to bargain and buy things they'd like to have. They also need to work with a budget, practice math skills, solve problems, and learn simple financial literacy.

Students are **NOT ALLOWED** to bring anything of value, instead, they can bring old toys, playing cards, games, books, and other used "stuff" that they have and want to sell. Students can also sell special skills like coloring, drawings, paintings, origami, or other creations. Several vendors have been advertising on our "Classting" page and are taking pre-orders. ☺

It's going to be a fun learning experience.

THANK YOU for your support.

i-Ready Assessments

i-Ready Winter Testing for 5th Graders begins on Tuesday, December 5, and continues through next week. The students will be tested in Math and Reading.

Please continue to maintain the routine of going to bed early, eating a good breakfast, and encouraging your child to try his/her best on these assessments. **THANK YOU.**

begins this week until December 21 to promote the "Season of Giving" in December, and to celebrate the winter festivities. It's also a lot of fun for the students.

The "Secret Santa" activity is a great way to learn empathy and be kind to each other in the classroom. Please support Our Class in this meaningful and fun activity.

Thank you
