## Trimester 2 Goals

As the Trimester 2 begins, it is a time for students to renew their efforts. Please encourage your child to continue to do well or give more effort in these things to make learning a priority at school and at home.

- **Use the student planner** to be organized. Know what to do and when it’s due. Write it down! Parents can check the planner for homework assignments.
- **Be responsible for your education.** Focus in class, turn in all assignments, and do them well. Parents can check your child online gradebook.
- **Follow directions.** Improve and be successful everyday.
- **i-Ready/Lexia/Reading Plus.** Practice math and Reading/Language skills. Parents make sure your child has time to do their home assignments.
- **Read at least 30 minutes** every day.
- **Have fun and enjoy the 5<sup>th</sup> grade year!**  
With these renewed commitments and your support, your child will improve in this 2<sup>nd</sup> Trimester. Thank you!

## 1<sup>st</sup> Trimester Awards Classroom Assembly

The 1<sup>st</sup> Trimester Awards Assembly will be held this week in our classroom to recognize students for character and academic achievements.

The students will be recognized and received certificates in various academic and citizenship categories. All students in class will receive an award for their hard work and effort throughout the first Trimester. Please encourage your child to continue to do well in the second Trimester.

Thank you for your support!

## STEM DAY

NOVEMBER 27, 2023

5<sup>th</sup> Grade students will build a Carousel Swing Model and learn about Forces & Motion on this STEM DAY.
