SEPTEMBER
NATIONAL
HISPANIC
HERITAGE MONTH

Our class will hold our first “Flea Market Friday” in the classroom on September 29. The purpose is to use our **Class Money** to buy and/or sell products and services. The Flea Market activity will give students the opportunity to create, advertise, sell, and buy fun things. As vendors, students will wisely judge “market conditions” to make profits, or to bargain and buy things they’d like to have. They also need to work with a budget, practice math skills, solve problems, and learn simple financial literacy.

Students are **NOT ALLOWED** to bring anything of value, instead, they can bring old toys, playing cards, games, books, and other used “stuff” that they have and want to sell. Students can also sell special skills like coloring, drawings, paintings, origami, or other creations. A number of students have already advertised on our Class Messaging site and taking pre-orders for their work for the last 2 weeks!!!

It’s going to be a fun learning experience.

THANK YOU for your support.
