SOLAR ECLIPSE 2024

CAASPP REVIEW 2024

Team Academic Challenge

Continuing with our preparation for CAASPP testing, this week, the students will be divided into 4 teams: **Earth**, **Wind**, **Fire**, and **H₂O**. The teams will be involved in an academic challenge in Math, Reading, and Science in different competition formats.

Please support our class in encouraging your child during this review week and making sure your child will have the best chance to do well by being **at school on time, every day**. Thank you.

On Monday, April 8, 2024, there will be a solar eclipse that stretches from Texas to Maine. In California, we will be able to view this phenomenon at 35% of the total eclipse. SUSD encourages students to witness this rare event and has sent to each classroom a set of sun-view-safe solar eclipse glasses.

In our class, we learned about the solar eclipse and went through safety procedures. We will be outside during the peak of the eclipse from 11:00-11:30.

The next total eclipse in North America will be in the year 2044.

ACCELERATED
READING

For the 3rd Trimester, **all students** in class signed the "**AR 100% Contract**" in which they promised to read everyday to make their AR Goals. Please make sure to encourage your child to **read at home everyday for 20-30 minutes**. Thank you, Parents!

Tips for Success

We're Preparing!

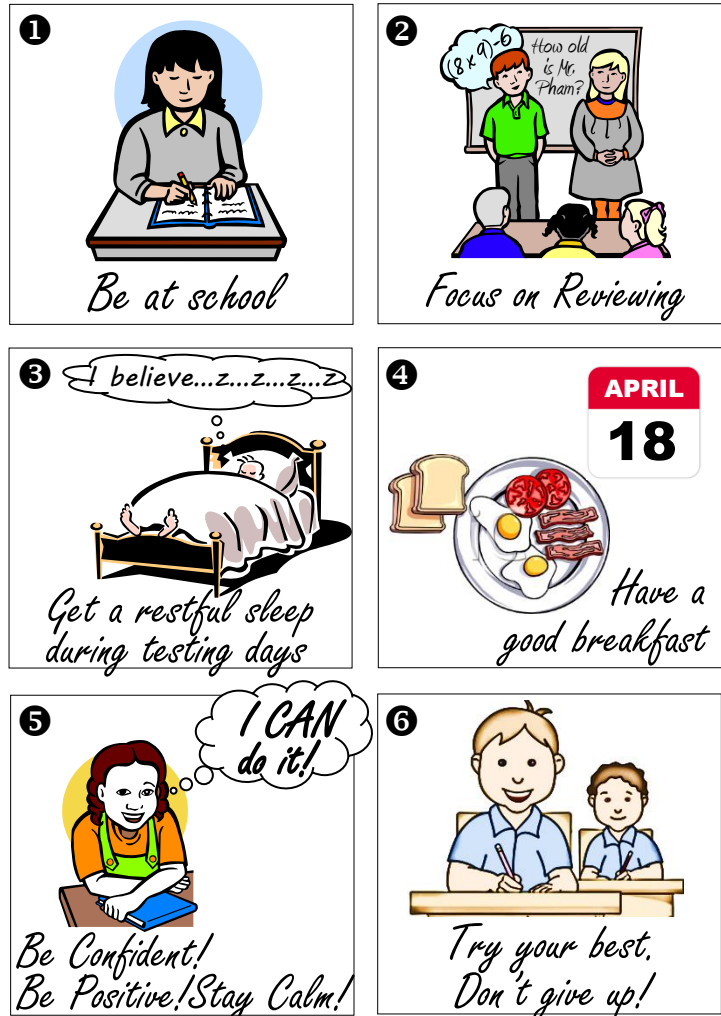

Beginning on **Thursday, April 18th**, Rio Calaveras 5th students will begin the CAASPP State Testing. Our class is preparing and doing everything we can to get ready.

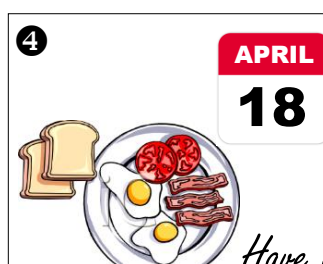

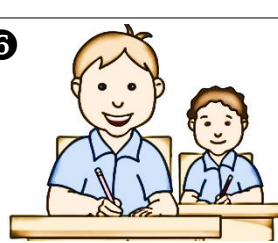

Please help your child to be successful by encouraging them to do their best, have **PERFECT ATTENDANCE** during the testing days, and following these suggestions. →

Thank you for your support.

Room B1 Students

Once testing has started (9:30pm), our classroom will not be interrupted for any reason. If students are late or absent, they will have to do make up testing on another day in which they will miss class time and activities.

Please make sure your child is at school for the tests by not scheduling any appointments during the testing days.
THANK YOU!

Homework during the State Test (4 weeks):

- **i-Ready Reading & Math:** 10 minutes a day (50 minutes a week) in each subject.
- **20-30-minute reading** per our class's AR Contract.
