HOMWORK

Beginning this week, students will receive homework focusing on Common Core State Standards for ELA and Math in preparation for state testing. All students will receive MATH practice homework on Monday & Wednesday, and the ELA practice on Tuesday and Thursday.

PLEASE have your child in class every day and encourage them to complete the homework as best as they can. Thank you for your support.

Accelerated Reader

Please continue to encourage your child to read everyday at home for at least **20-30 minutes** to achieve their AR goals for the 2nd Trimester! Thank you.

Our class will celebrate Valentine with a “RoAch” on Wednesday, February 14th.

The students are encouraged to share with each other Valentine cards and treats. We will also have a “Valentine Container” challenge in class.

Good luck and we’ll have lots of FUN!!!

Happy Valentine’s Day to everyone!
