"Class Success" Field Trip

Throughout this year, Room B1 students have been working hard to achieve. They believed in themselves and never gave up. They have survived 5th Grade and did so well. Even the mean teacher did not deter them from being successful!

We have done a lot together this year. To celebrate our 5th grade success, we are going to lunch together on Wednesday, 5/8. Please have your child bring enough money for lunch at the restaurant they chose and maybe Starbucks afterwards. ☺
