

Welcome

Dear Parents,

OUR 5th GRADE JOURNEY begins!

I'd like to welcome you and your child to the start of the new school year. We are going to have a busy and productive 5th Grade, filled with exciting learning activities, social events, and so much more.

COMMUNICATION is very important for a successful year! Throughout the year, I will keep you informed of our classroom plans, your child's progress, and the learning activities that we do. These are the main ways I use to communicate with parents:

1. Class Dojo – Announcements, class activities, and parent messaging. If you haven't, please log in to Dojo and join us: <https://shorturl.at/jpBPR>

2. Class Website (www.ourclass.us) – Curriculum information, parent resources, student expectations, and Gradebook are on our class website. Activities, Art, STEM pictures will also be shared with parents and to keep our precious memories of the 5th grade year.

3. Weekly Learning Schedule - Sent home at beginning of each week showing the skills and activities we will be working on in class each subject, due dates for projects, and class events. The Learning Schedule is also available on our class website for you to view.

4. Class Newsletter – Published at the end of each month to share with parents the activities we did during the month and upcoming events.

We are going to have a great Journey!

*Thank you for your support.
Toan Pham, 5th Grade*
